

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: April 17, 1995

SUBJECT: **SB 546 - HB 1460**

This bill, if enacted, will provide that the court, prior to incarceration for failure to pay child support, seek alternative methods to recover delinquent payment, including:

- placing lien on the obligor's check
- requiring unemployed obligor to participate in a job referral program
- requiring obligor to participate in visitation privileges

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures from greater participation in job referral programs; however, the amount of such increase cannot be reasonably determined but is estimated to be not significant.

Enactment of this bill is also estimated to result in an increase in state revenue from child support payments; however, the amount of such increase cannot be reasonably determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
SB 546 - HB 1460
